Junior Associate Producer trained at Game Sup. Across **4 school productions**, I have planned and followed projects with up to **4 teams** in parallel, from the first milestones to the playtests. Looking for an end-of-studies production internship starting in **January 2027**.

## Production experiences

### **Producer** / End-of-Year Projects
**May – June 2026 · 4 weeks**

**Game Sup** · **4 teams** · **13–14 people** per team · varied genres

- Scaled **Agile to 4 parallel projects** within the school's Waterfall milestones.
- **Go-between** for the editorial staff and the teams, at milestones and day to day.
- Set and organised **two playtest sessions** around other cohorts' schedules.
- Reworked **each team's priorities** with them after the playtest feedback.

### **Producer** / Rogue-lite Workshop
**Feb. 2026 · 3 weeks**

**Game Sup** · **2 teams** · **14 people** per team

- Planned on **two levels**: a roadmap for the workshop, daily tasks for each team.
- Shaped **each team's sprints** with them and settled blockers as they came up.
- Reviewed the **design docs**, mostly for scope and feasibility.
- Prepared a **cut list** with each team, ready before the first delays.

### **Producer** / Workshop
**Nov. 2025 · 3 weeks**

**Game Sup** · **2 teams** · **12–13 people** per team

- Built the **Agile production plan** in Excel and ran the weekly reviews.
- Set up **daily meetings** for the first time, run by the Art & Design referents.
- Split tasks between Game Artists and Designers, keeping **workloads even**.

### **Producer** / End-of-Year Projects
**June 2025 · 4 weeks**

**Game Sup** · **2 teams** · **12–13 people** per team

- First time managing **2 projects** at once, tracked in Excel and Miro.
- Ran **sprint reviews** and wrote the task lists with the Art & Design referents.

## Other experiences

### **Student Board President** / Game Sup
**2025 – 2026**

- Managed **partnerships** with outside institutions.
- Organised **2 Game Jams**, LAN parties and tabletop RPG nights.
- Handled **communication** with students and the school administration.

### **Private Teacher** / Acadomia & Superprof
**2018 – 2023**

**1 to 10 students** per class · primary school to university

- Adapted each lesson to the **student's needs** and difficulties.
- Adjusted **how I explained things** to each student's age and level.
- Taught **working methods** as well as the subject itself.
